The Yates County Personnel Office is responsible for job titles for all public employment positions within Yates County, excluding NYS Department of Education positions. There are numerous job titles that are shared between all of our appointing authorities. **Exam announcements** that are distributed for a job title you have within your workforce does not automatically mean that position is vacant, will become vacant or is currently being recruited for. It is the Personnel Officer's responsibility to be prepared for anticipated job vacancies, therefore, exams may be given in anticipation of upcoming retirements, promotions, etc. Requests to order exams may be submitted by appointing authorities as well. The majority of all Civil Service exams are scheduled by NYS Civil Service. Some exams, for example, are only given every 4 years, so it is in our best interest to give such exams when offered in order to be prepared. If a position is vacant or will become vacant, a **Vacancy Announcement** will be distributed and on that announcement it includes the work location along with other pertinent details pertaining to the location for which the vacancy will occur. **Exam Announcements are different from Vacancy Announcements and should not be misconstrued as being an advertisement for an open position.**
